

Are you interested in what your child is eating? Do you want to empower your child to make healthy food choices in their life? Make a difference that will impact the rest of your child's life....

Become a GrowingGreat Garden Docent for your child's classroom!

GrowingGreat is a school garden and nutrition education organization dedicated to inspiring children and adults to adopt healthy eating habits. GrowingGreat will train volunteers simple, hands-on garden lessons to deliver 3 times throughout the school year. Each garden lesson is 10-15 minutes delivered inside the classroom and 15-20 minutes in the garden planting with students.

Teach students all about gardens and growing plants! Help kids plant and harvest vegetables! Maintain beautiful school gardens!

No Garden Experience Necessary!!
