

GROWING GREAT'S

Farm to Table Benefit

Our mission is to empower every child to grow up healthy through science-based garden and nutrition education

May 2, 2015

Since 1999, GrowingGreat has inspired hundreds of thousands of elementary school children and their families to adopt healthy eating habits.

This year GrowingGreat taught lively, comprehensive learning experiences to over 30,000 children through our in-class nutrition and school garden programs.

Fundraising from the *Farm to Table Benefit* will help GrowingGreat and our 330 parent volunteers to empower every child to grow up healthy through science-based garden and nutrition education in current and new GrowingGreat schools and communities next year.

We hope you will join us!

In celebration of 16 years of community service as a nutrition and garden education non-profit, GrowingGreat is hosting our second annual Farm to Table Benefit, May 2, 2015, in Playa Vista at the property of award-winning advertising agency 72andSunny. Celebrity chefs will come together to create a culinary feast of fresh, local, and gourmet cuisine served under the stars. Full details to follow. We hope you will join us!
