

I love my farmer, let me count the ways...

Draw or write FOUR REASONS you are thankful for farmers in the boxes below, then deliver your letter to your local farmer!

The form consists of four rectangular boxes arranged in a 2x2 grid. The top two boxes are positioned above the tree's canopy, and the bottom two boxes are positioned below the tree's trunk. The tree's canopy is a green heart shape with a dashed outline, containing five red apples with dashed outlines. The trunk is a solid brown vertical line.

Love,
